All items listed in the standard package, including delivery, collection, assembly, styling and general laundering of manchester.

- **How much space do I need to set up the sleepover tents?**

The overall width of the tent, mattress and breakfast tray is approximately 1.0m wide x 2.3m long. If there is limited space, we sit the breakfast trays on the ends of the mattresses. The tents are generally set up next to each other and/or opposite depending on the space available.

Don't forget, if you are having the tents face into towards one another, there needs to be room in the middle of the room for the guests to access their tents.

Approximately 1.8m/2m long x 90cm wide x 1m high.

Teepee Frame 1.3m x 85cm

Mattress 1 1.6m x 70cm
